FORESTLAND RESCUE PROJECT

Your donation to this project helps us to purchase seven beautiful forested acres for \$112,000 adjacent to Cloud Mountain. By purchasing this land we will be rescuing its trees from being cut down and sold for timber. We will also be able to create covered walking meditation areas; build small private sleeping huts; create a network of walking trails through the forest; and provide a buffer zone around the retreat center to maintain the environment of peace, silence and solitude at the retreat center.
